

DENTPROTECT

DENTAL PROFESSIONAL INDEMNITY PROTECTION PLAN

Product Disclosure Sheet

What is this product?

DentProtect offers a comprehensive professional indemnity scheme designed to safeguard and provide coverage against cases of dental malpractice for all dental professionals in Malaysia. Our esteemed insurance partners encompass Syarikat Takaful Malaysia Am Berhad (STMAB) and Pacific Insurance.

What are the benefits or coverage provided?

DentProtect offers a comprehensive coverage with tailor-made plan for each dentist at an affordable price plan and a panel of experienced advisors and mediators. We have up to 16 benefits in an 'All-in-One' package. Our benefits include:

Legal Representation at Inquiry and Investigation

Our panel of advisors and lawyers have extensive experience in dental and medical malpractice management.

Run Off Cover

A coverage even after you have stopped practising, as long as you have been covered by us for 5 consecutive years.

Unlimited Retroactive Cover

You are covered with the policy not from the start date but from the day you started your dental practice.

Medical Incident Claim

You will be covered for any medical negligence in the field of dentistry.

Aggravated Damages

We will cover any extra damages on top of the existing claims, i.e. compensate emotional stress, etc.

Automated Reinstatement

When the coverage limit of the policy has been exhausted, we provide automatic reinstatement with additional coverage, for subsequent claims.

Cyber & Privacy Infringement

Dentists need protection against cyber and privacy infringement, especially when it comes to personal information of clients.

Vicarious Liability (Locum Cover)

You are covered for any negligence committed by your locum doctor.

Defamation

You are protected in any legal suit concerning defamation, i.e. during a professional discussion or opinion-sharing session.

Emergency Defence Cost

When you appoint a personal lawyer due to an emergency suit, we will be able to cover the defence cost for that.

Intellectual Property Infringement (IPI)

Your creation of product or venture is yours and for any claims of false copyright, we would be able to protect you.

Good Samaritan Acts

When you help someone in need of medical assistance in public but they sue you instead, we would cover you under this.

Loss of Documents

The cost to recover any documents lost due to misplacement or misfortune will be covered.

Personal Accident Cover (RM 100,000)

Apart from dentistry, personally, you have your own additional accident cover.

Public Relation and Crisis Management

The expenses related to public relation and media exposure will be covered to protect the dental practitioner.

Defence Costs and Legal Representation Expenses

Any costs/expenses related to your legal representation and defence will be part of your coverage.

****All of the above are subject to the terms & conditions stated in the Medical Malpractice certificate**
